PRESIDENTIAL DIGITAL TALENT INTERNSHIP

ICT AUTHORITY, KENYA

**RE: APPLICATION FOR PRESIDENTIAL DIGITAL TALENT INTERNSHIP PROGRAMME
(Cohort X 2025/2026)**

Dear Sir/Madam,

I am applying for the Presidential Digital Talent Internship Programme (Cohort X 2025/2026). I hold a Diploma in ICT from Murang'a University of Technology with hands-on experience in software development, database management, and IT support.

During my attachment, I worked on projects such as a QR Attendance Management System and gained skills in network setup, system troubleshooting, and security basics. I am eager to build on this foundation and contribute to Kenya's digital transformation, particularly in network infrastructure, software development, and cybersecurity.

I am flexible for deployment across the 47 counties and committed to learning and delivering value through this program.

Thank you for considering my application.

Yours faithfully,

Edward Mutethia Murithi
